

All businesses within and or near the project limits are open for business.

Patrons are encouraged to park on a street outside the project limits or in a nearby public parking lot.

The contractor will maintain pedestrian access to businesses during construction.

The Main Street intersection will be open to cross traffic for the majority of the project. If there is a closure required at Main Street, Parker Drive will be opened to cross traffic during that time.

The posted detour is available as an option for through traffic.
